

Bring the North home

Eight featured photographs by Dre Erwin

Choose a canvas or framed print, or download a file and have it printed locally. This small selection brings together aurora reflections, winter skies, a monochrome canvas and a golden northern sunrise.

Physical products

Canvas or framed artwork is shipped according to the product and checkout details.

Digital downloads

You receive an image file. Printing and framing are purchased separately; no physical artwork is shipped.

Prices shown are the current CAD listing prices on October 12, 2026. Size choices, taxes, shipping and final totals are confirmed on the product page and at checkout. Display previews are illustrative and do not establish scale.

Choose the right size

Measure first, then choose the file or product

Format	Examples that share that ratio
3:2	12 x 8, 18 x 12, 24 x 16, 36 x 24 in
4:5	10 x 8, 15 x 12, 20 x 16 in
2:1 panorama	24 x 12, 36 x 18, 48 x 24 in

Ratios are a planning guide

The listing dimensions are approximate formats; confirm the delivered file's exact pixel dimensions with your printer. A different frame ratio may need cropping or a border. Do not assume a square preview means the download is square.

Quality at a chosen print size

Divide the pixel width by the printed width in inches to estimate pixels per inch. For example, 8500 pixels across a 36-inch print gives about 236 ppi. A print lab can advise on suitable size, paper and viewing distance; a 300-DPI file label alone does not guarantee quality at every size.

A practical ordering checklist

- Measure the wall and desired outside frame dimensions.
- Choose the photo and confirm whether the listing is physical or digital.
- For a digital download, ask the print lab about crop, borders and the largest suitable size.
- Check the licence, printing cost and frame cost separately. Ask Dre about commercial display or publishing uses.
- For a gift, confirm delivery timing before making a date-sensitive purchase.

A gift with a northern story

Print enquiries, office displays and custom requests

A book for a young reader, a northern lights image for a wall, or an aurora photograph printed locally: choose the format that fits the person receiving it.

For homes

Use the product links for existing physical prints and digital downloads. For a photograph you saw on social media but cannot find in the shop, send a screenshot or link through the custom-print form.

For an office, hotel or community space

Ask for a quote with the number of images, approximate wall dimensions, desired finish and delivery location. Confirm display rights and any reproduction or promotional use directly with Dre.
